Key:  Compulsory Courses

This one year full-time programme allows you to graduate at the same level as a degree student and with a focused file of knowledge. It is designed for people who have a degree in one area and want to change their area of specialisation or career. It is also for people who have a level 6 or 7 Diploma and /or several years of relevant work experience who wish to gain a qualification or update their skills in the area they are working.
