WESTERN INSTITUTE OF
TECHNOLOGY AT TARANAKI

TE KURA MATATINI O TARANAKI

This qualification is intended for learners who are seeking to develop a range of essential skills and knowledge in the skin care, beauty and related industries. These sectors will benefit by having access to graduates with the skills and knowledge to competently and safely undertake a range of essential skin care and make-up services within workplaces where skin care, make-up and other cosmetics products are applied and sold.

Graduates of this qualification will have developed practical application of knowledge and skills in preparation for further study but will also be capable of working with initial supervision in a skin care and beauty context.

New Zealand Certificate in Skin Care and Cosmetics (Level 3)

Learn about skincare, professional practices, makeup application and build your product knowledge in this one trimester programme. This will help prepare you for a higher level of study in either makeup artistry, beauty therapy or go straight into employment.

You will learn how to:

- Comply with professional standards and expectations relating to the application and sale of skin care, makeup and other cosmetics, including manaakitanga, and industry standards for health, safety and hygiene.
- Greet and welcome clients and carry out a consultation to establish their needs, discuss appropriate products and their use, and agree on possible services.
- Apply skills and knowledge of skin care and make-up to carry out skin care and make-up services in line with the client consultation, and industry standards.
- Assist with sales and promotional activities for skin care, makeup and other cosmetics.

Courses

CSC3.001

Prepare to perform a service

This course prepares students to operate safely and professionally when preparing clients for basic skincare and makeup services.

CSC3.002

Perform a consultation

This course prepares students to conduct a basic consultation with a client, prior to a skincare and makeup service, to ascertain client needs and make recommendations on appropriate products and services.

CSC3.003

Perform a service

This course prepares students to perform a customised skincare and makeup service for a client, following an appropriate consultation.

CSC3.004

Assist promotional activities

This course prepares students to use basic skills and techniques for promoting, marketing, and selling skincare, makeup and other cosmetics products.

Programme specific information

This qualification is designed to provide the beauty sector with skin care and makeup technicians who have the foundation skills and knowledge to provide a range of makeup and skin care services. The purpose of this qualification is to provide competent employees for the makeup and skin care sector as a result, students will be required to undertake training in a simulated workplace environment for set assessment standards.
