# Understanding NZS3916 - Online Zoom

Do you understand the comprehensive design requirements under NZS3916: 2025 (Design and Construct)?
Do you know what the rules are regarding intellectual property?
This course is delivered as a live on-line zoom session with our trainer and other participants.

These are just some examples of the differences from NZS3910:2023.

This course, from a practical and 'hands-on' point of view, will benefit Clients, Consultants and Contractors wanting to know the differences between this standard and NZS3910: 2023, the General Conditions of Contract.

**This course is designed for people who are already familiar with NZS3910:2023**

## Topics include

- Overview of the standard NZS3916
- Points of difference from NZS3910:2023

## On completion of this course participants will

- Use course notes as an up to date reference for managing contracts
- Understand the key content of NZS3915:2005, NZS3916:2025 and NZS3917:2025
- Be familiar with the similarities and differences with NZS3910:2023

**Topics include**

- Overview of the standard NZS3916
- Points of difference from NZS3910:2023

**On completion of this course participants will**

- Use course notes as an up to date reference for managing contracts
- Understand the key content of NZS3915:2005, NZS3916:2025 and NZS3917:2025
- Be familiar with the similarities and differences with NZS3910:2023

## Who should attend

Contract and Project Managers, supervisors, engineers'/contractors' representatives, as well as experienced personnel wishing to understand the key differences between NZS3910:2023 and NZS3916

## Participants

Each person must have a computer or laptop with camera and internet access to enable this Zoom training.

NZIHT reserves the rights to withdraw or adjust programmes, alter start date or fee schedules, and make any other changes as it may deem desirable or necessary, without prior notice. All programmes are subject to a sufficient number of enrolments and completion of all approval and accreditation requirements.
