Understanding NZS3917 - Online Zoom

Do you understand the different requirements for remedying defects under NZS3917: 2025 (Fixed Term)? Or for the Programme? Or for insurance? Or for the Contract Works Period?
This course is delivered as a live on-line zoom session with our trainer and other participants.

These are just some of the examples of the differences from NZS3910:2023

This course is designed for people who are already **familiar with NZS3910:2023**

Topics include

- Overview of each standard NZS3917
- Points of difference from NZS3910

On completion of this course participant's will

- Understand the key requirements of NZS3917:2025
- Use slides identifying the key texts in NZS3917 which are different

Who should attend?

Contract and Project Managers, supervisors, engineers'/contractors' representatives, as well as experienced personnel wishing to improve their knowledge of this specialist conditions of contract.

Participants

Each person must have a computer or laptop with camera and internet access to enable this Zoom training.

NZIHT reserves the rights to withdraw or adjust programmes, alter start date or fee schedules, and make any other changes as it may deem desirable or necessary, without prior notice. All programmes are subject to a sufficient number of enrolments and completion of all approval and accreditation requirements.
NZIHT and this programme are part of Te Pūkenga – New Zealand Institute of Skills and Technology
