## Online Refresher Courses

This is an online refresher course to prepare for the EWRB Electrician Regulations or Theory Exams. An essential step to become a registered electrician in Aotearoa New Zealand.

For further information about the refresher courses, please email: [k.george@witt.ac.nz](mailto:k.george@witt.ac.nz) or phone 0800 948 869.

The course period runs from 1 February to 1 December each year. Enrolment is open from 1 February to 1 November each year.

The course starts within 2 to 3 days after enrolment has been fully completed.

## How to apply

- [Click here for the WITT application form](#)
- When you click on the programme field – scroll down and select either:
  - 2026 – Short Courses – EWRB Regulations (online) 70 hour course, **or**
  - 2026 – Short Courses – EWRB Theory Pre-Exam (online) 70 hour course

WITT requires a copy of your birth certificate or passport to confirm your application if you have not done so previously.

## Taking the EWRB Exams

The EWRB exams are organised by ASPEQ, not WITT.

- To register for the exams [click here](#)
- The exams require separate entry forms and fees.
- Once enrolled, ASPEQ will contact you with more information about the examinations.
